

(BULLETIN 10.12.19)

3 DAYS TO GO! Our Team is working day&night to plan and review every single race detail!

Due to a last minute registration, the event participants raised to 126, with a positive trend compared to last year.

Racers are subdivided into the following categories: Senior, Master 40-54, Master over 55 e Mix (senior and over 40).

We are really glad to see that rowers from United Kingdom, Germany, Czech Republic and Austria came to visit our city and take part of our race. We also thank our Italian rowers from Pescara, Salerno and Lago Maggiore.

Tomorrow we will publish some slides that we will use during the "Captain's Meeting", and some documents that can be useful.

We really thank our sponsors and our supporters: #BarVatta, #TorridEuropa, #Evergreenlife con #SabrinaBottaro, #ElenaBattaglia e #CartoleriaDiemme

Special thanks to
